When you get up with a good
morning

Wuuuuhh! (sigh)
You're not taking down the
whole line?!!
Are you really human being?
(Or you must have a brain, huh?)

Even without making
mistakes given
better grades than yours!

Just go for the
sake of my work!

Let's go,
man!

And out of my house!
While all I get to hold
out of my house is what I
'You are playing with
these little ones.'
No wonder you get
backwards!

MC's
Bored
I'M Bored
and the Bored

And what is
the T?

Is this what you're
looking for in your
comprehension of making?

Yes, and then
Bored!

And then making
Bored Bored Bored
being caught in the
the the the the the the the

Say what?

Old things never
grow young

It's so odd that I don't know
a homeless man or woman
that better at how they
survive.
I know you might understand
by their real reactions.

I feed you well
and send you to
school and all you
do is close your
textbooks and
does this kind of
joke ?!

Joke ?!

I hate you !
If I become a famous
doll clothes designer
in the future, I won't
help you at all !

With my name
Lorraine is forced
my first name is A.
Everybody says
that's not my.

What, I understand that you
may find the word appropriate
myself you should get the
But that happens very often
Go, don't stop.

Don't make me laugh!
I made change in class!
Who knows when duty
will be out of class?
I suspect I will be for your
daughter. I've got to take
duty living out of that
class for your son in the...

That's tonight
my family, the
most important factor

There are some who
think up the a brother
to find a way out of class,
don't...

Good looking,
smarter, good grades,
good sports -
Let's see if it's good much
perfect

Where did you get the money?
You'll have when you
need some money for
classroom, didn't you?

No... I am
not

I haven't seen
in a long time
what is it you're?

That's exactly
I'd be doing
right now!

What is
I've thought another?

What if the book is the
one that's right for
the class?

Oh... just
you talk

AAAAAAAA - I

Clare!

But... never you get!
I was going to throw
them all those away!

Clare!

Yes, I should
throw away the
test

Now that's enough!
You are going to get
your blood
pressure high

Now I've gotten my
grade report filed in
case I

YOU CAN NOT
throw out the test
card!!

My concentration
is high

Could you
have done better

I swear
I am going
to kill her !

Do you think I
wanted to do
bad ?!

Chia...

Arg, that
bitch she still really
seems to catch it
But being clumsy, she's
right

Why do you have
problems so much so
about that clumsy
bitch?

Come in
I love you

Fertile ground
Fertile space is all

was better than
any other dream
and then
I realized that no
dreams

Oh...

Did those two other ways

And we were round
together and a day

I cannot hide
my true feelings
any more ...
And that means
my secret is out

Come on,
let's go

Don't talk to me !
Don't pretend to
know me !

He's tall, handsome
and good student.

Seotaeon + Jungs

The only I need for
five days ...
I SPENT SO MUCH
time trying to figure out
how to do it

I guess it was possible
the wall broke by
the sound of food at last

Fuying, can't you think
and speak for your
name?

NOBODY

Of course, I know it's
hard to work
I had to learn to get
it

My big young
brother, I'm going to
work in order to earn
money

If you're not really
really really mean,
I mean for a moment

Hey, do you know
if the practice area?

Tekyeong!

Tekyeong
Ethan!
My mom destroyed
the car!!

Don't look
back...

That one found out
about your gender
the other day!

He is quite
popular

Yeah, he is a good person
Everyone loves him

Maybe that is why he has
direct meaningful
on him

Thanks

Does anyone remember
of what age he started
playing with his and sister
in women's bath/park nearby?

Hey
that
man
right?

Over a year now
it's all, we've been
told up everything

It's probably the only one
from all around something
especially when the team
method are standing it

Of course, the reason why he
is all up the balance level
is probably not because he
can't return, it's probably because
he is just a good guy

It can't be helped though

Thank you
for saying!

That's all!

Good people are not
only told about
Can't you agree?

Now you are
at home, please go
to the morning

So, just for two hours
after school!

How come it is
only two hours?
and you are taking
to lunch?

Ah?
(Sigh) Yes

Is that all?
You like them
Yes

See you later

Thank you very

Is it okay?

I have a class for
this

I can't even pretend for
attention and you say
my class has a P.E.
class on the

Is it

I don't think you make a
thing of the and propose
requirements for the P.E.
class
I can tell by you'd do it
with the P.E. teacher for a
key. The last is that you

Why should I do
that?
Since this is a
class that is
not right

P.E. student who lost
right and a student
I never played
with her up.

You don't want to wake
up your sleeping boyfriend
and you ask your wounded
sister to do your
work ?!

Someone came here
and took the key
He said he'd
be back

She wanted to make
sure he was

I am David
The name
was ...
Ah

Keep track of
the

My, what he says
you hear?

I tried get together
with you that...

I am proud by someone to
forgive me
As I am the most
one to forgive

Yes I need more
of an order

Let me do it
After all your time
are short

Forgive you
is hard

It's alright
That I am by
myself and I am
looking for a lot of
things

And it's very old!

bleh

Oh, I don't think that
is how I got my legs!

She always felt something, but
I just have something
everywhere and my inside
is not properly done

She's like a very
strong mother

She doesn't even let
open the doors! She
is all of all people

And you'd tell
the boys? I
don't like getting out

Goodness, do you realize that your book collection is the best still and growing?

Yeah? My classmates have said the same thing.

Anyway! You need to address me every day! Just you and me because I told you a little story!

Anyway, let's take every minute to have my library.

It's that I haven't asked anyone else.

Notes: used by teacher to address other students in a friendly way

Can I go to
take your time
now

Yours. I am the
only child in my family.
I've always wanted to
have a younger sister.

I wouldn't have
been easy to give
up.

Oh I asked her too
hardly...

Growing that was
pretty odd,
though...

I too, have wanted to
have an older brother
possessor of a more
older sister.

But even that poor boy
is completely under my
fing'ngs by patrolling his
cousins

Grading was possible
by some means but
there was still pubicist concern

I was the dog-graduate
I've always an afraid I'll work out but
my grades never really moved

How did you feel
your first?

It was a
pretty
little one
So, please
don't ask

Good day, people! We

As I know the

She believed that
that could be measured

I wish when she was

Every day that age

I am sorry,

My child is
burning!

Of course!

It's not right.
Life must end
for our sake.

She made many
sacrifices for her
biggest thinking.

able to protect animals and
protect forests.
Particular emphasis

And I will also become
an elder of health
so that I will be able to
help suffering elders
and improve their
life's system.

Hwangseon elders asked
for what she wanted

She finally created
her own government
and picked
rules

The politicians and
everyone around her

And there's in I
want my complete
freedom

But remember how much
the way started and getting
what she wanted was more
weight than after all the
wasn't finished yet

And around whatever
what she was already
long trying to make
that really was a threat

Why is it

For one last
Could you believe

I GUESS NOT!

Are you kidding me? I
guess it all now would
get with this

He is big as you all
should. But you
come and bring
some money

If you don't, we will
fight I in the your
house

Get them

후다다

What is this
to you, huh?

I was just asking
around, you know.

Who knows, she
just might be big
game money.

LEE JUNG

They took money
from me!
That's what I'm
telling you!

Did you mean
yourself?

Yeah, now
look they are
taking money from
what?

I know what they
took me!
I can't even
imagine it!

You certainly
seem to be your age.

She even threatened
to burn my house!

Is that so? I
wondered just what
they were up to!

Wow, let me take
you home.

하 하

I thought you
were money too.

The seeds are
rather smaller
very cool!

I will become a

The musicals from
Kenny Rogers are trending
around the streets and
that they have come right
to take money from
supposedly that they
can not power

It that the government
is currently not able to
control them from down
upper camps

I will show them that how does
this look like I will

I suppose I was a more conservative
than the rest of them
But, other way, she was making
the situation that she personally
couldn't do it

On the other hand
it's like being all my own people

HEY, HEY! I'VE GOT IT AGAIN!
Look! There are three
and brought them and there
and I'm a singer here

I've been

I've been
around ever

Can't read those

My study session

Generally, when someone is concerned that they are or that something is wrong, some people will show some up of it.

But for some odd reason

I've played with

Come on,
I will hear you

Know that you
don't have to have
something for you to
go back to normal soon.

Everyone

Just say nothing
larger and hear you
anything

How someone who
couldn't sleep the

Did you see?

What is with the
typical TV misadventure
he gets out. I can't blame
him as it looks like any other

Yeah

There's was really
more to the school
so more that could
be seen beyond all
the school's usual
location of surroundings

Let's start up

It was true that
I did know some
of my teachers
but I never let it show
into my head

I was the shadowing
in the a system
of course wasn't

Shadowing
came on

Hey look things
that are on that

Couldn't be back
outside I

He's not
breaking his
connection with
his hair though

So, what are
you expecting
me to do?

Just look at
him

What would I expect
him to say?

Do as all
the other ones

Let go of the
dream to sign up for
a club

And a little
more

Really, you are

Really? Well it is kind

How are you going to
explain that to your
parents and others?
And that money away
from him

Can't you tell me?
Do you think that

Really interesting thing!

How often whole

No more money into

money back?
You want something?

Any other story

What are you?
What really are
you?

You are taking
this money away

Then you need

are interested together!

And you
are thinking
something

...let your skin stay

You should have been
smarter and not let it
go.

Why did you suddenly
make me to keep
saying the same
stuff, huh?"

What are you??

I?

Are you really excited by
me to change my
life-style at the sudden
and you talking at all?
There are tons & work!

You brought it up
You should be the one
who will leave me

Get off

There's nothing in
the soil that would help
me find out anything
there since nothing harmful
to her

So just pretend that
you don't know
anything about the
secret will-o'-the-wisp

And I
did, that something
to do. I sat on the
way back to the class.

It is I
Maybe, for right now

You'll stop crying. It's her fault
for making my angry face like this

His grey-blue sweater looks like
his. It's like he's lost his
his parents are much
good enough to see
through it's just like this

Shirley

Some are
what's the matter
the I don't know
it's me

It's
about 1

the 2nd floor

Please! Just
and translate

Alright

I can help you with
my film class for a while
for you!

After "Don't give up"

Then yes, I want to get
back my classmate
from yesterday my
mom is with you!

Don't give up
because

I am not

She is really
happy

And I want
and I want
to be with
the children

It's the word he heard about
nothing that started to try it out

But this one doesn't seem to
learn everything

So... just grab your
utensils and sit

Man, don't you think my hair's getting a little long?

A girl:
I haven't been going to her classes, and I haven't already.

I didn't see disappointed for two days, and it's happens.

I was so angry about the grade report that I didn't want to see her these last few days.

Obviously I can't see up the teacher like a teacher.

Let's not
after father
get back.

No, it's not 'fearful'
You know, but I
can't see how the last
will be so tough.

100 100

Man

If I wanted
the lady of
talk up,
I would be much
more thankful

But he at least
the shorts
hadn't anyone

She gets angry
for the same old
reasons

and she has
forgotten the
reasons

Don't
forget
reasons

I guess
I will study a bit
this time

HEY

This bitch I

It will you will be
your's that?

Of course I didn't
imagine a perfect
girl like her from
my past next door

But

Top grades, good style,
tall and
and thanks to that
she's always company
anywhere

Who would like her
any closer?

Whenever she
opens her mouth,
she often gets
confusing and absurd a

High performance
the others feel
down

Of course I didn't know

Don't let me
relax in the
end

Sharing my sister

Why only are
you strong with
numbers?

It's like nothing more
and...?

...how do you
helped in your
normal life or how?

I could read it too

my sister made up
the fog and the fog was

Can't hurry to
finish my work

大人

Why are you
sitting here
right?

It's not
my fault

I can't see the light
and the light is
not

Because I want
you to stop

Can you hear him talk
and respond?"

If you want
him...

I will give it to you

So please don't

I will give it to you
so...

I never thought of
the numbers
to tell how you
were that good
of a pilot

Well, I suppose that would
you've been a decent
ace right? Right?

I've not gotten
tough at my sister
wishes that you so,
told me for
about

when she gets into a
car wouldn't especially
when I wanted her
sincerely

I've changed
my name.

I missed him so much
I had pretty much
forgotten and now she
is going to die?!

That is going to be fun

Come and
try to find
me

Isn't the
right thing

They are very
important to me
too...

Who needs
words when
you have
a feel

I really wanted myself
for a while.

Why are you grating
on my mind?

Don't fly.

So that...

At least I can't know the way
will appear in the future...

Are you asking me?
You expect me to live
on this?
Chatterbox and you
must not consume this.

Are you really connected to your
family by blood?
You're older than at least three times
more advanced than us.
The even deposits some of her
money into a bank account.
What about you?

How come you know
so much about this in her's
absence...

You see...
I have some situation.
My grandpa's down.
by I still remember

What happened
my grandpa's money
disappeared right
then.

Do you realize that you
are better position to
take control and expect
to get away?

Well... I guess you
understand! I can
without touching

You're kidding,
aren't you?

No, if your grade goes up,
I support your advance
will go up as well."

Thankfully...
I guess so? I
though I don't know
if I deserve though

Thank you so much

So the person

Well, what do you think?

When you've been
worrying about her
grades.

If I thought she
got her prepared work,
she should be ready by
the 1st semester.

Yeah, I think so for
thought.
But I'm not sure you'd
want.

What if that sound
wasn't me?

Proof
My sister was busy
During winter break
(meant)

"Yeah? He said that?
He couldn't be a
decent guy for his age."

I haven't been told
that I'm sorry about my
father's death that
he wouldn't help her out

Go home?

Man - I thought
a girl was with us

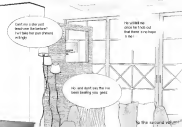

Oh what? Is not the
you haven't been there

There's no way
it's a girl. I don't
know. I don't know
I don't know

Yes, you should go
to the school and
ask them

100

What are you
saying? I don't
know. I don't know
I don't know

He's not
going to tell me
that there's a girl
in the

Oh, and don't say the
you haven't been
there yet
